Priority Races for our Community

Mary Hernandez for School Board District 2

There are currently no openly-LGBT elected officials in Sacramento County. As a lesbian of color, Mary would bring a much-needed voice of diversity to the Sacramento Unified School Board and be a much-needed role model to LGBT youth. Mary has spent her entire career fighting for working families, children's health-care and LGBT rights. She has the right mixture of professional experience, passion, and courage to carry the School Board through this tough time. With her fighting spirit, all parents and students, including LGBT families, will have a voice. Join Sacramento Stonewall Democrats and support Mary for School Board!

Dr. Richard Pan for Assembly District 5

There is a clear choice in this election. Richard Pan has been a consistent champion of equality for the LGBT community. His opponent, Andrew Pugno, authored both Proposition 8 and Proposition 22 and has spent his entire career fighting against even basic rights for the LGBT community. Dr. Richard Pan has been a steadfast ally, fighting for funding for AIDS/HIV research and leading the medical community to support such issues as same-sex adoption. The Legislature needs a voice of equality, not one of homophobia. Join Sacramento Stonewall Democrats in supporting our friend, Dr. Richard Pan, for Assembly District 5!
